Foreword

Upon looking back over the last and best months of our high school career, certain events stand forth vividly in our minds; for instance: The first day of our senior year when we strutted proudly into school; our football team, well-spirited and game; the queens of the Sweethearts' Ball, with their flowing gowns and glowing faces; the Senior Play, and the first student directors; and, undoubtedly, the most memorable of all—graduation, with its caps and gowns, tears and happiness.

The staff has intended this album to bring back these fond memories—to recall the incidents just as they happened; therefore, we have made it coincide with the months of the final year at our Alma Mater.

It is with great pleasure then that we, the graduates of 1952, end our sojourn with the presentation of our Engle Log and with the wish for success for every member of the class.

Mr. George W. Paulsen

Dedication

To Mr. George Paulsen, who has been a friend to all, we extend our deepest gratitude.

Born in New York, Mr. Paulsen earned his B.S. from Massachusetts College in 1910. Columbia awarded him his M.A. in 1931. He has taught in Thetford, Vermont, and Brookfield, Massachusetts, and has headed the science departments of Quincy, Massachusetts, Wentworth Institute in Boston, and White Plains, New York. Before he came here to be our principal, he held that office in North Plainfield.

Last June he completed his twenty-fifth year of service as Dwight Morrow's principal. During this time Mr. Paulsen has lifted the student body from Engle Street to this glorious pedestal upon which we now stand.

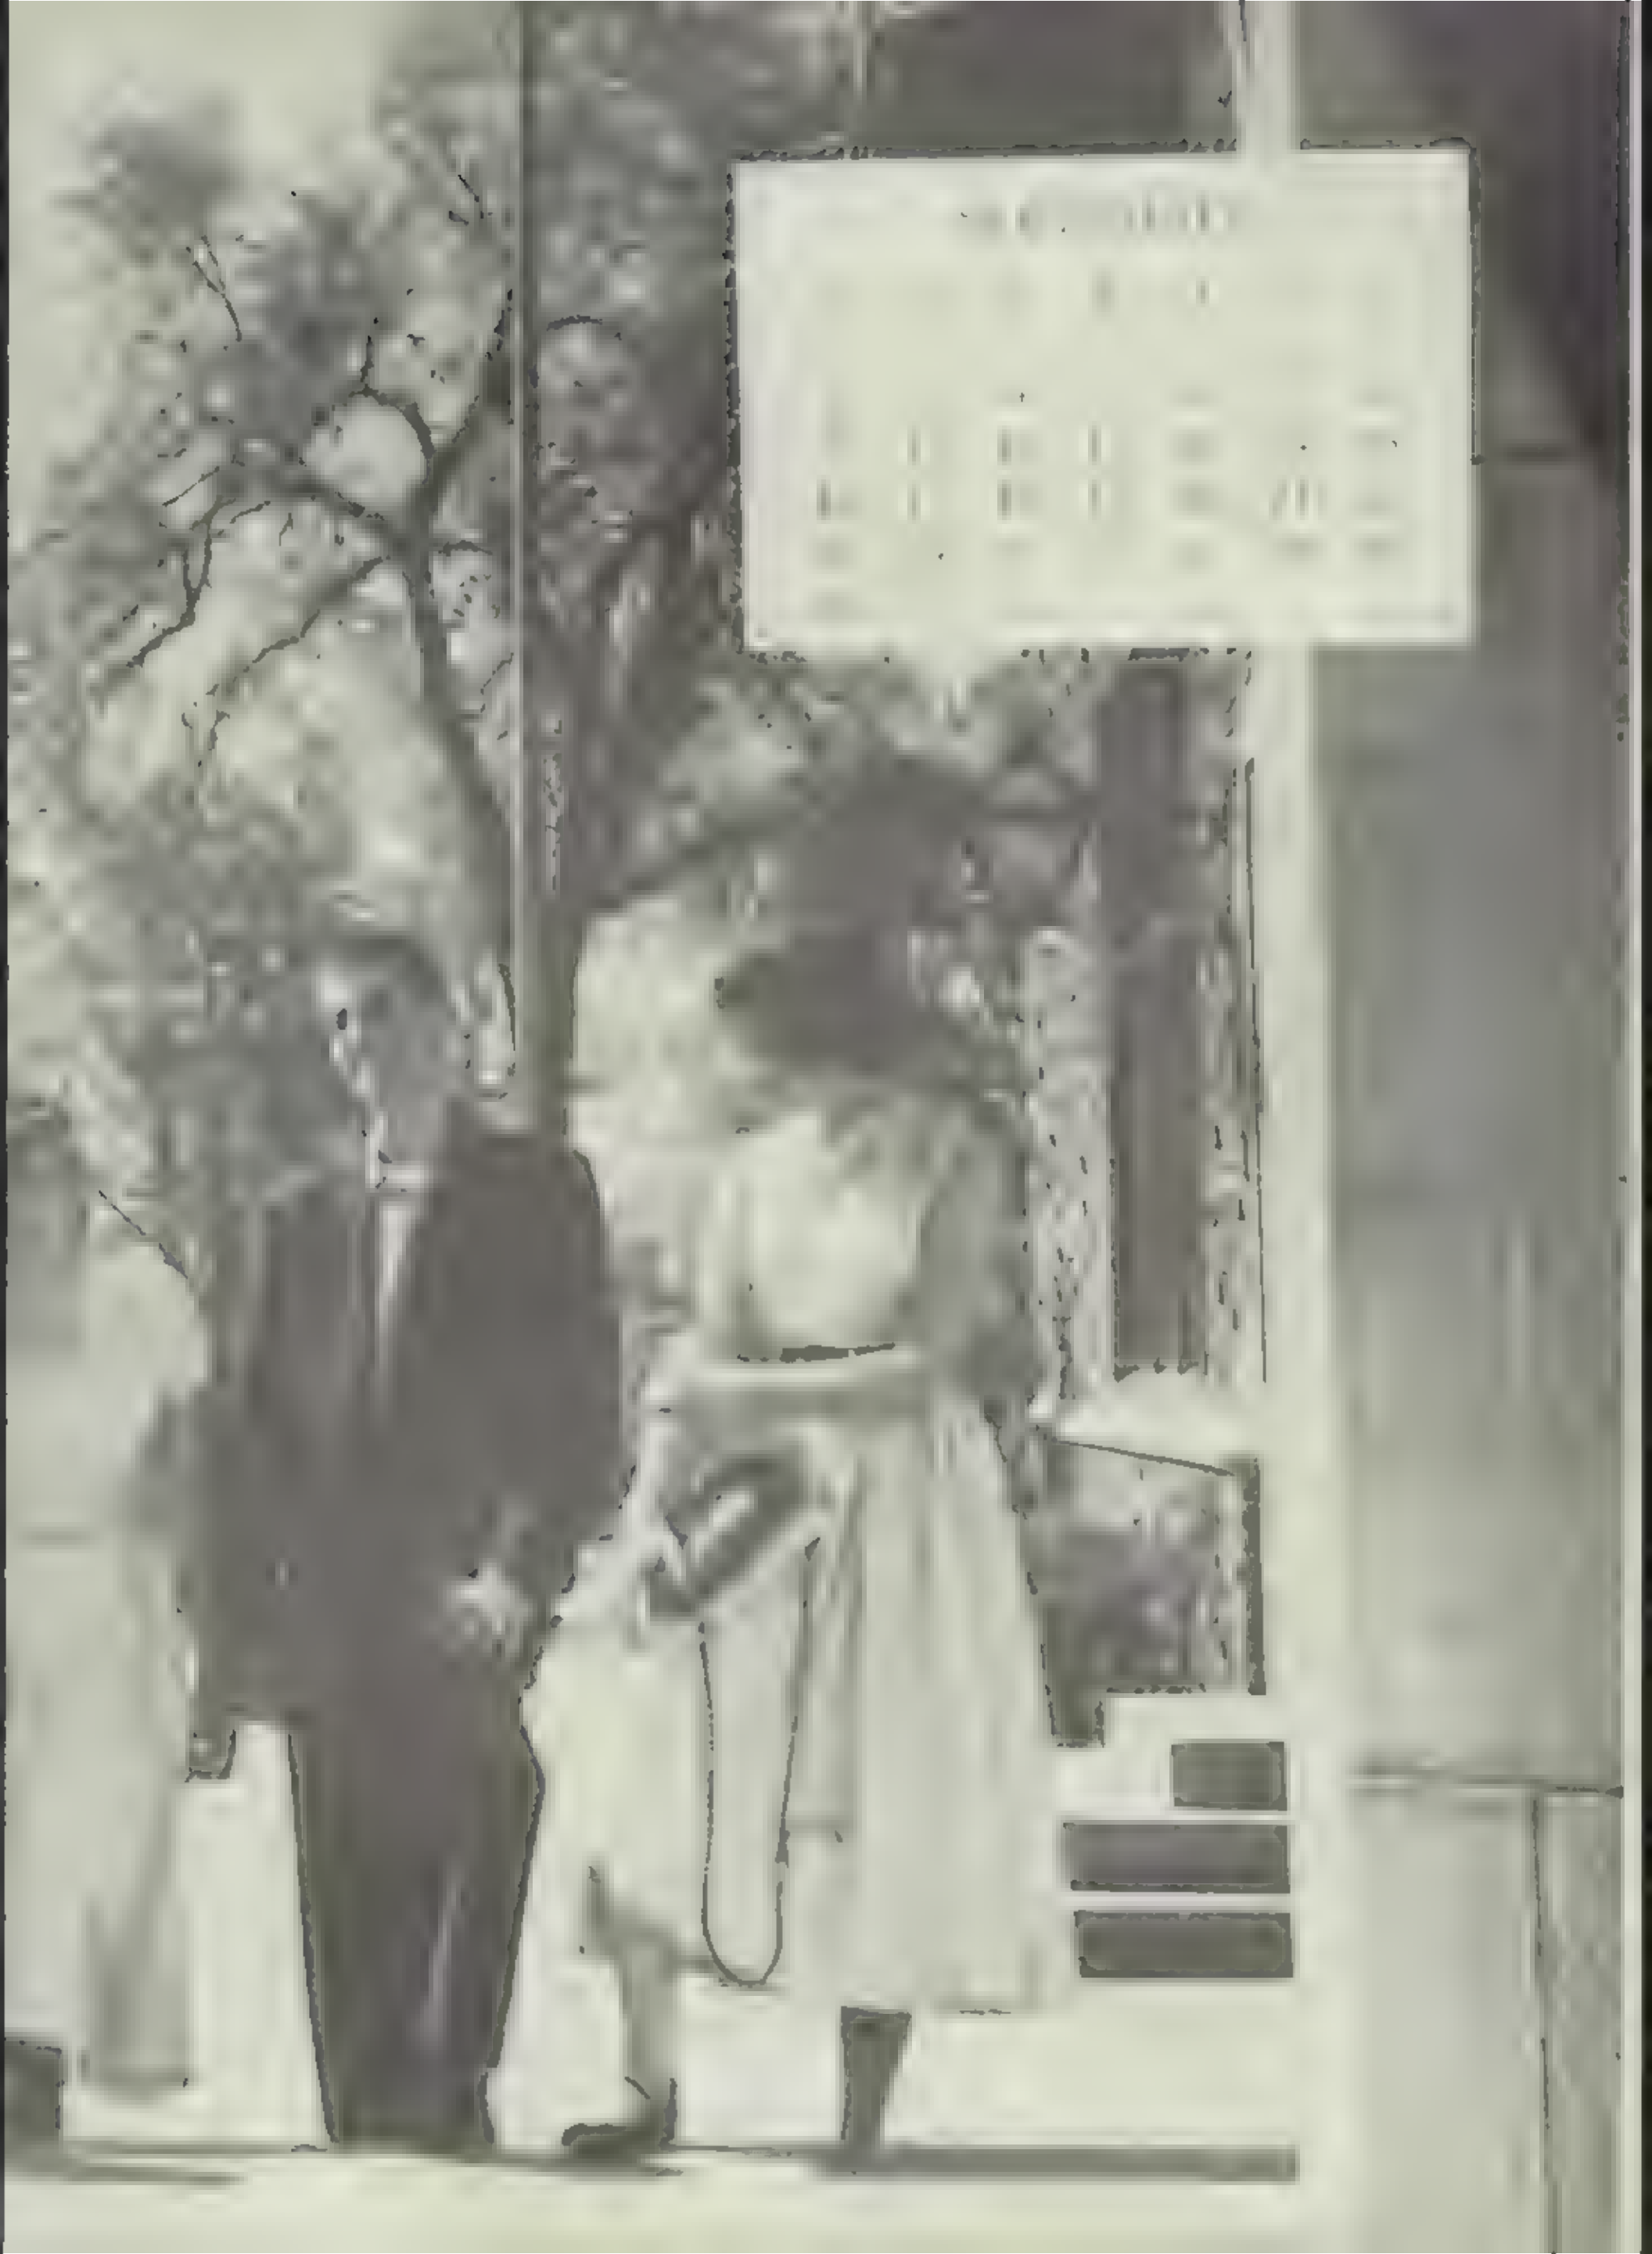

As part of his endeavors, he has helped the guidance council become a permanent and valuable part of our school life, and no athletic department has ever had a more faithful supporter than he.

Since an institution is only as great as its leader, the well known fame of Dwight Morrow High School in educational as well as in extra-curricular activities reflects the diligence of his efforts.

Because Mr. Paulsen has worked long and hard for the welfare of our school, we know he will always be remembered.

Our appreciation demands more than words; thus, the Class of 1952 proudly dedicates its Engle Log to Mr. George W. Paulsen.

Student Organization

The Student Organization, our student government, has had an active and successful year. Its activities have done much to develop good citizenship and "esprit de corps" within the student body.

In the fall, students and three faculty advisers attended the annual Student Council conferences at Rutgers, where problems of student government were discussed and solutions found. As a training aid for the football team, film was bought with S. O. funds to photograph the squad in action.

Held in December for the second year, "Fun Nite" again proved very successful.

During the year several new clubs became part of the S. O., and six outside assemblies were engaged through S. O. funds.

A questionnaire to determine parents' attitude toward a proposed high school driving course was prepared for next fall.

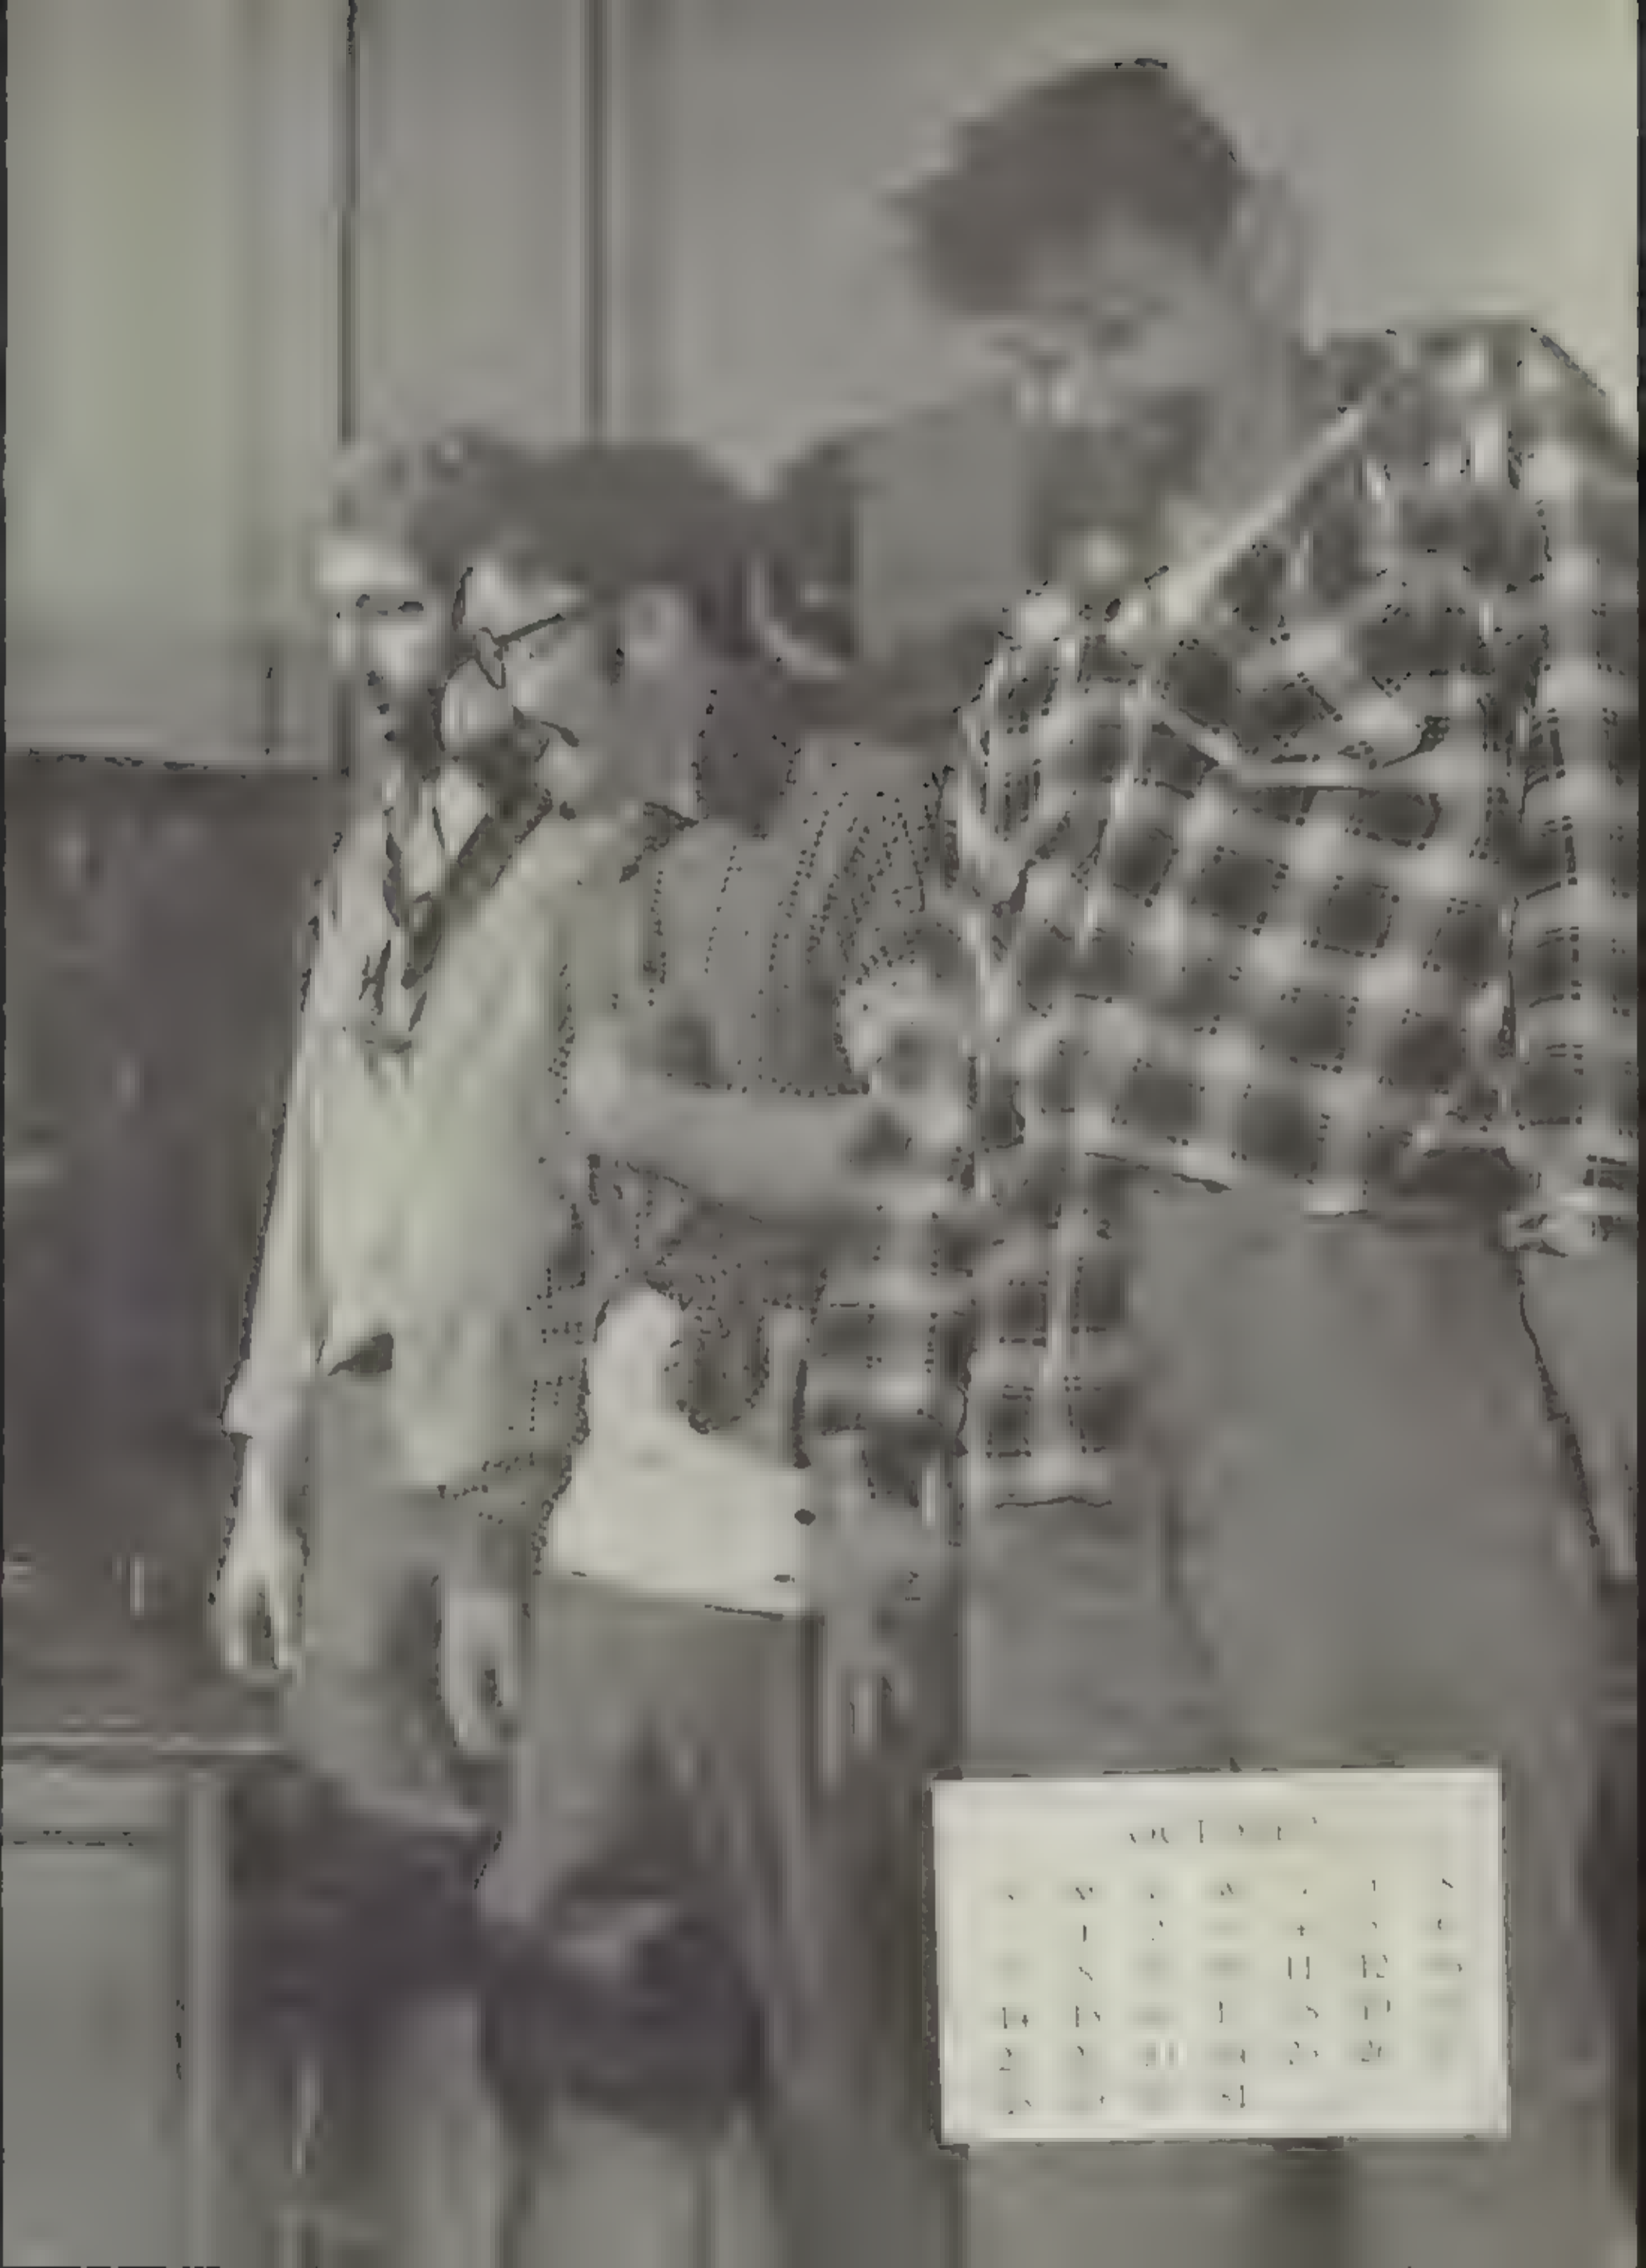

The Student Council By-Laws were clarified, and the Point System was revised so that S. O. awards would be based on fairer evaluation of an individual's service to the school.

A new orientation program for incoming sophomores was planned to promote wider student participation in extra-curricular activities and to develop better human relations in school life.

With an able Student Council and the assistance of our advisers the past year has been most rewarding for the Dwight Morrow High School Student Organization.

Soccer

The Maroon booters added another NNJHL title to Dwight Morrow's collection. This season's veteran squad was the first Englewood soccer team to complete a season without defeat. The Raiders' regular season record was ten wins, two ties and one loss.

The West Point Plebes spoiled the team's hopes for a perfect record by trimming them by a 2-1 count. A 1-1 tie was played for three and a half periods in the pouring rain until the academy's frosh scored an offside goal that was termed legal by the official.

The 1951 season was highly successful; captained by Lew Erber and Evan Lewis, the Raiders captured the County Championship. The Smithmen drubbed Hackensack twice for the first time in twenty years. The Comets lost 5-1 on their own narrow field and 2-0 away.

Englewood lost a 1-0 heartbreaker to Hamilton Township in the state tourney at Trenton. Hamilton tallied the lone marker midway in the fourth quarter. But next year's squad will try to avenge the loss.

Richie Wendel, Englewood's sensational fullback, was selected for the all-state team and Tony Jon received Honorable Mention. Englewood placed five boys on the all-county squad: Evan Lewis, Bob Seddon, Tony Jon, and co-captains elect Richie Wendel and Bob Vosta. John Caserta, Lew Erber, Morton Parker and Ernie Farrington received honorable mention.

Honor Society

At the reopening of school the D. M. H. S. chapter of the National Honor Society held a reunion of its members in preparation for the year's work, which may be traced directly through the calendar

with September's initiation of new members the activities began

during October the students acted as guides at the P.T.A.'s Back to School Night, served as ushers for the A. A. U. W., and held their first hot dog sale

November saw the success of a rummage sale for the benefit of the Student Loan Fund

in December the club became one of the highest earners at Fun Nite with a dart-throwing game, and it held a Christmas party, after which gifts were taken to the children at the Fort Lee orphan home

a quiz program was presented in Assembly in January

the Student Loan Fund Tea, which the club sponsors each year, brought together in February all the organizations of the school to gain their support for the loan fund

work on another Assembly program commenced in March, and the club acted as host to a number of foreign students who visited the school

with April and May came a second rummage sale and the inductions into the organization of the new members who had shown throughout the year their right to enter the Honor Society

the entrance of June placed the new administrators of the school in the seats of the graduating members whose ties with the Honor Society became happy memories.

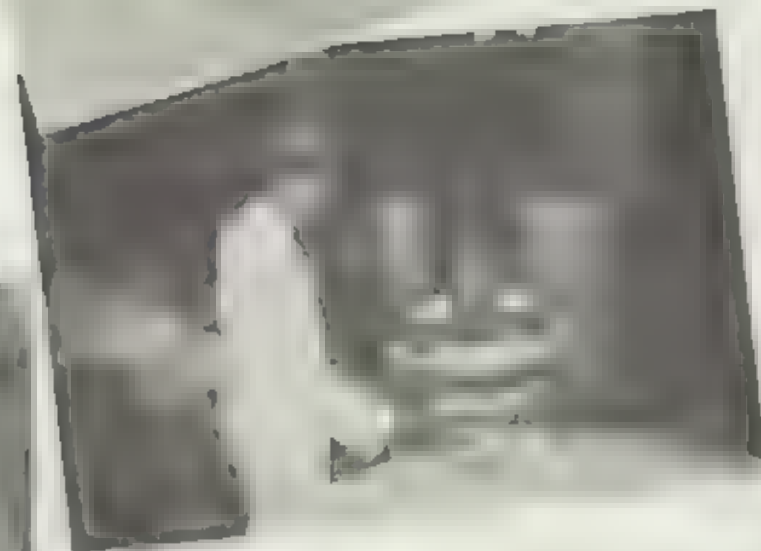

Old Chapter

Old Chapter gives itself in service to D. M. H. S. through its work in school athletics, in student government, and in the social development of the students. Each member, both as an individual and also as a unit of the organization, devotes himself to the furthering of these interests. In cooperation with the Student Organization the club maintained the Spook House concession at Fun Nite. To support its social functions and the charities of the school and of the community, Old Chapter distributed and sold pepcards.

NOVEMBER

Masque and Wig

The Masque and Wig boasts one of the finest traditions of any of the school organizations. It has been very successful. One of the main reasons for its success is the excellent leadership of the club's first advisor, Miss Beck. Her wise counsel and guidance have been of great help to the club.

The Masque and Wig has been very successful this year. Our Miss Brooks was put in charge of the club. She has been very successful in her duties. The club has been very successful in its efforts to raise money for the Red Cross. The club has been very successful in its efforts to raise money for the Red Cross. The club has been very successful in its efforts to raise money for the Red Cross.

Class 1954

The Sophomore Council has held monthly meetings during this past year to try and raise money for use during our stay in Dwight Morrow. We have held two soda and fudge sales, and two fudge and cupcake sales. Most of the money collected in the treasury comes from dues which the Sophomores have given. We plan to hold a Sophomore Dance May 23, 1952 the purpose of which will be to have the Sophomores get together at a social gathering.

Girls Leaders Club

CLUB MOTTO: A sport for every girl and a girl for every sport

Hockey, soccer, volleyball, basketball, table tennis, badminton, tennis, and softball are the girls sports which are directed by G. L. C.

Besides managing this intra-mural program, the girls participated in playdays with other schools. They also entered the inter-class track meet, sold candy at football games and contributed to the Bergen County Girls Athletic Council Scholarship Fund. Another major activity was the Women's Faculty versus the Night League Champions game. The club gave awards to those girls who have actively participated in sports or who have won a tournament. A special senior trophy was awarded to a senior girl on the basis of scholastic achievement, athletic ability, sportsmanship and leadership.

Managers were: hockey, Liz Ehret; soccer, Margie Bremner; volleyball, Janice Meeter; table tennis and badminton, Pat Van Baaren and Ethel Joan Morrison; basketball, Bernice Belle; softball, Jill Merkl. Bev Bassett was General Points Manager. Each manager has charge of all activities connected with her sport.

Tournament winners:

Hockey—Senior Class.

Volleyball—A Junior Team.

Basketball—Junior Class.

Football

This year the DMHS football team had a new head coach, George Baldwin. Last year Coach Baldwin was assistant coach under Tom Morgan. The team's poor record of two wins and seven losses may largely be attributed to the lack of returning lettermen from last year. The two wins were 36-13 over Ridgefield Park and 15-6 over Tenafly. This year's team was paced by the passing of Bill Buttino, the punting of Jack Quinn, and the line bucking of Bob Martling. Two of the Maroon Raiders Bob Martling and Tom Abernathy, received honorable mention for All-County honors.

Diversity started its year with a bang!

In September, we refreshed the football team with gum and oranges. Pencils, cupcakes and D M H S pictures were sold throughout the year to raise money for the Student Loan Fund.

On the eve of December 22 the refrains of Larry Mark's band were heard at the annual "Snowball." In the same month we presented "Dates to Remember" at Fun Nite.

In February the "Welcome Mat" was spread at the Sophomore Tea.

In March we ran the Junior Red Cross Drive. For this cause the whole school contributed over \$100, part of which went for a box for a Korean school system. At the end of the month the Juniors treated the Seniors to a dinner.

April found us trotting out to "Nystrom's" to meet

the old DK members at the Alumnae Dinner. We also gave assistance to Tri-Y by selling Sports Dinner tickets.

DK's active year ended with the girls exhausted and deserving a rest on Hobo Day. Money collected for this jaunt went toward our Scholarship Fund.

We would, in conclusion, like to extend our appreciation to Mrs. A. Smith, our adviser.

As adviser of Diversity, Mrs. Smith congratulates the club on its successful sponsorship of the "Snowball," a school activity, but she is especially proud of the club's enthusiastic cooperation in Tri-Y's Sports Dinner, which has become a community-wide activity. She is even more enthusiastic about the excellent cooperation given by the homerooms, clubs, and faculty of Dwight Morrow to Diversity in the filling of the box for Korea, a project of international relations.

Tawasi

Tawasi's Square Dance started the club's long list of activities. Since the dance was the first ever sponsored by the club, and because it was so successful, the girls were inspired to take on new and bigger projects. Selling pennants and Christmas cards were among their ventures. Around Thanksgiving projects turned to the starving and needy people all over the world, and Tawasi did its part by donating to CARE packages to Korea. The Yuletide season found the girls ambitiously selling Christmas cards and pennants for the Fun Nite activities. The Miss Fun Nite contest was held for better and more

successful than ever. The Junior-Sophomore Tea proved an enjoyable and profitable event of the club's history. Swinging into the second semester the girls made a project of sending joke scrapbooks to disabled veterans, aiding Tri-Y with their Sports Dinner and holding cup cake sales

We must not forget our wonderful counsellor and most active member, Miss Pokorny, who encouraged us to make this year our most successful one possible

Varsity Cheerleaders

Although the cheerleaders' efforts seemed futile concerning the football team they were rewarded when D. M.'s basketball squad won the Northern New Jersey Interscholastic League crown.

They cheered for the Alumni, Women's Faculty, K. G. ones, and Men's Faculty games also.

The '52 Varsity Cheerleaders wish next year's squad the same success and fun that they have had this year.

Toby Dincin Carole Gorski

The Jay Vee cheerleaders had a very successful year cheering for the soccer and Jay Vee basketball games. They also cheered for the faculty and the alumni games.

Basketball

It's all history now, but what the 1952 basketball team did in the N.N.J.I.L. will not be forgotten for years to come. Faced with last year's state championship team record and an unbeaten streak of 33 victories to live up to, the Raiders managed to extend the streak to 33 games. In copping the title for the fourth time in Tom Morgan's sixth year at the helm, the team amassed a record of 13 and 1 in league competition, the sole loss coming at the hands of Hackensack by a one point margin in the next to the last game of the season. In the state tournament it was Hackensack again who finally tripped the Raiders after our victories over Paterson Central and Lodi.

At the outset the "experts" were not encouraging in their predictions, but they failed to reckon with the fighting spirit and thorough know-how always present in Morgan-coached teams. It was a comparatively inexperienced team that took the floor in the tough Bergenfield opener, but when the final buzzer sounded the register showed Englewood 49 — Bergenfield 41, and the tiny lights on the scoreboard seemed to be winking, "Here we go again".

The starting team to take the floor that night, destined to play as a unit throughout the season, consisted of Juniors Dave Warwick, Bob Theummel, Richie Wendel, and Ralph Le Pinnet, and Senior Henry Peguese. The great steadying anchor of the team, set by Captain P... will never be shown in the record book. Third highest scorer in the league with 232 points, "The Razor" was a cinch for All County and All League honors. He also received the A. Roy Cohen trophy as the outstanding athlete of Dwight Morrow High.

With careful coaching and hard work Wendel and Theummel, both excellent ball handlers, played at starting guards. Warwick became an outstanding rebounder at the forward position. Le Pinnet, at center, with a year of varsity experience already under his belt, was a consistent hustler and a fine scorer. Also not to be forgotten is the strong support of Seniors Evan Lewis, Tony Jon, and Lew Erber. These boys were always ready to come through in a pinch.

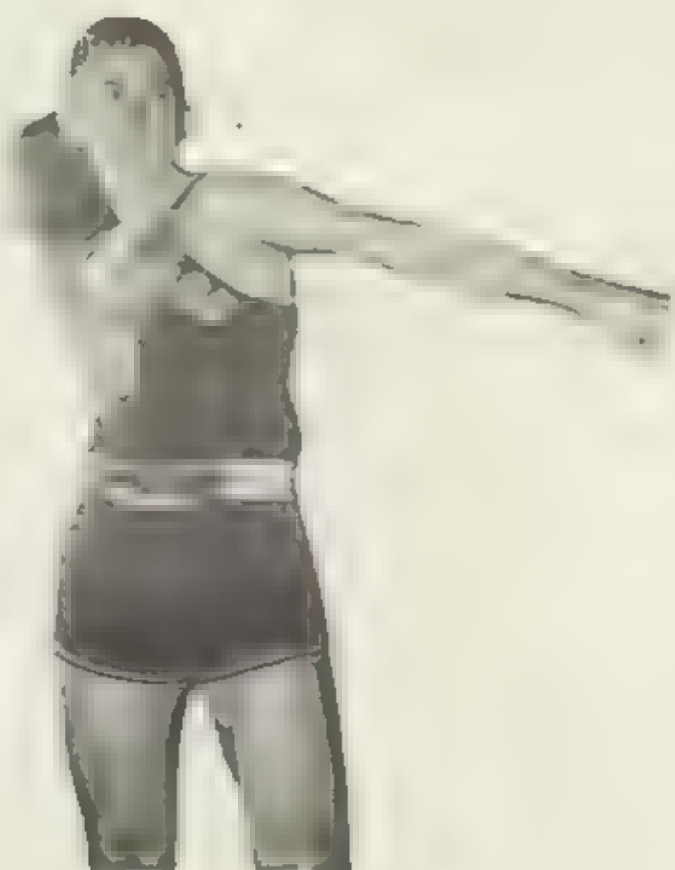

In the final analysis the lion's share of the credit must be given to Coach Tom Morgan, who has coached the Raiders since 1946. His experience and wisdom as a coach and athlete owes his early start.

Pickwick

The girls of Pickwick stored up many memories in 1952—memories of fun and memories of hard work.

Projects for the year began in early September and did not draw their last gasp until June. These activities included: providing oranges for the soccer team, joining with Diversity to give the boys of the football, soccer and cross country teams a wienie roast, sponsoring a card party for the benefit of the Student Loan Fund, and giving \$10 to a needy family at Thanksgiving time.

Pickwick proudly presented its traditional and popular Pin-ups at Fun Nite and held an alumnae party during Christmas vacation. Twice, six of the girls tried to get on the TV program, "Strike It Rich" but unfortunately were not chosen.

Hallowe'en, Christmas, and May Day were celebrated at the Memorial House, where the girls held parties for several of the younger groups.

The Sophomore Tea was held at the end of January with over forty girls attending. The Sweet hearts' Ball, held on February 16, brought Leap Year into focus with almost three hundred at the dance.

At Easter time the girls helped the Cerebral Palsy campaign by collecting donations. Under the sponsorship of Pickwick the "Cowboy Magician" performed on April 26 for the benefit of Pickwick's scholarship fund. Pickwick girls ushered at the Spring Concert and also sold clotheslines and had cake sales to boost the treasury. A contribution was made to the Community Chest and the Student Loan Fund, and \$10 was sent to CARE for farm implements to be sent abroad. The annual \$100 scholarship was also awarded to a deserving student.

The traditional Junior-Senior dinner was held in Oradell at the "Latch String" with inductions of new officers and members held afterwards.

There were also the well remembered teas at Miss Brehm's, nightly gab sessions, a hike, and the final farewell tea held in June.

These are the memories, treasured by each Pickwick girl, which could not have been possible without the understanding and guidance of their adviser, Miss Evelyn Brehm. In return Pickwick's deep appreciation can only be expressed by saying, "Thank you for everything, Miss Brehm."

BOB HARKNESS	-----	Treasurer

Advisers

MRS. ECKERSEN, MISS BOERGER

This year Foreign Policy members really had a taste of internationalism when four students from Asia stayed in their homes and attended school for two weeks. The students, Hameed Akhond of Pakistan, Tamar Aschner of Israel, Pe Sarjomihandjo of Indonesia, and Sophie Cho of Burma, attended the Herald Tribune Forum.

The club held many open meetings and had two very interesting night meetings. Also, the members participated in outside forums. The President, Arlene Liss, won her first round in the Junior Town Meeting of the Air and also the first place in the school in the National Examination on the United Nations. Ruth Ann Messina was second.

In order to finance our activities, we sold newspapers under the direction of Ivor Liss and Anita Bellamy, and we also sold decals. From September to June under the supervision of Mrs. Eckersen and Miss Boerger, we had a good time discussing and attempting to solve international problems.

The Oracle

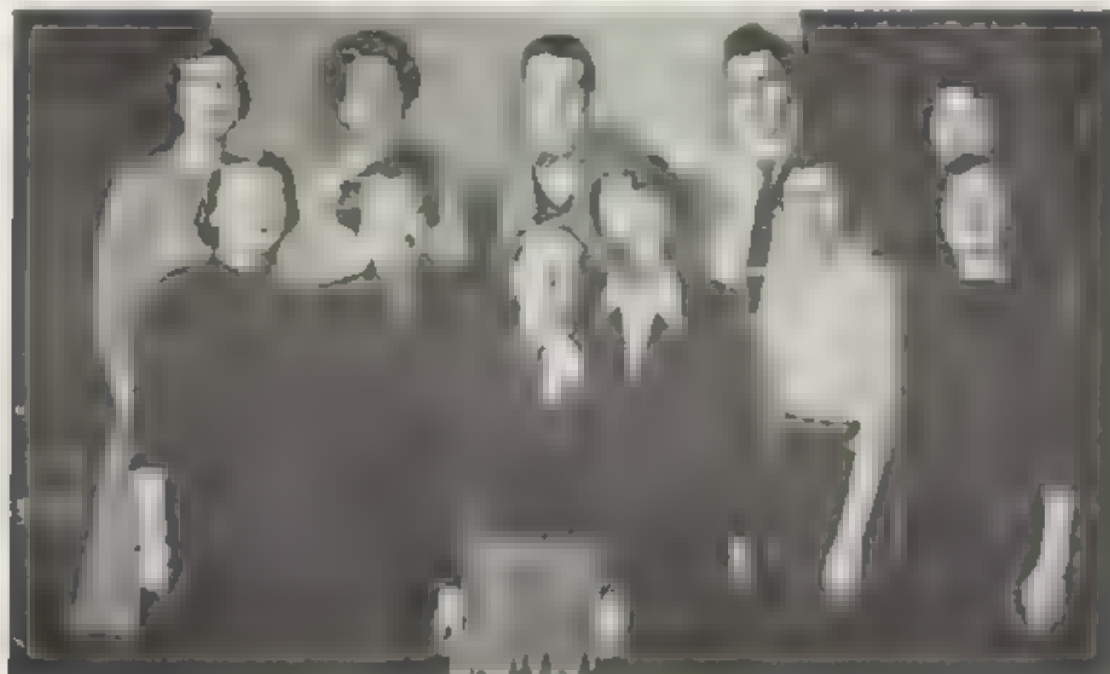

1952 was a year of "firsts" for The Oracle and its staff. The Oracle became the first high school newspaper to have its own roto-gravure section. Under the editorship of Ed Ferman and with the much appreciated help of his father, Ed Ferman, Sr., the "Picturoto" came to life. Under them The Oracle received a first place rating from the Columbia Scholastic Press Association.

The small but active business staff of The Oracle, under the leadership of Ruth Messina, business manager, and the editorial staff, headed by Jane Fullerton, editor-in-chief, produced in Oracle almost a weekly for the student body. Highlighting issues of 1951-52 were the Thanksgiving, April Fool, and Senior Oracles and Picturotos.

Business, editorial, and mechanical staffs were almost entirely composed of sophomores and seniors this year. The next year Oracle-Picturoto will be put out by a journalism class taught by Miss Winfrey.

Other Oracle projects during the year included sponsoring the second annual creative writing contest, selling ice cream after school, and doing publicity for many school organizations and events.

MISS SALLY WINFREY ----- *Advisor*

Spanish Club

The Spanish Club had a very busy and eventful year. At the beginning of the year we took a field trip to New York City; here we ate in a Spanish restaurant and went to a Spanish movie.

We participated in "Fun Nite". Our main money-making project of the year was selling bookcovers. On Pan-American Day, April 14, the front hall was decorated by a gaily-colored poster put up by the more artistic and industrious members of the club.

We wish to thank our adviser Miss Menein, for her cooperation in accepting this task on her very first year in the high school, for we know that if it weren't for her, the club would not have had such a successful year.

OFFICERS

STEPHEN RYHSEN	President
JANET GRANDE	Vice President
SHIRLEY SAPER	Secretary
ALICE BENSON	Treasurer
MISS MENEIN	Advisor

The Key Club

The boys of Key Club had another successful year as a service club. They undertook such projects as selling plastic book covers, distributing collection cans for the Cerebral Palsy Drive, checking coats at all the major dances, and assisting at special events such as dinners and graduation. However, they didn't have all work and no play. Every week two boys were entitled to attend a Kiwanis Luncheon. The club went on a weekend trip to Sussex county, and numerous other good times were had together.

Bit and Bridle

Bit and Bridle started its ninth year with a large membership including an unusual number of sophomores. The Club rode each Saturday at Chestnut Ridge Stables in Hohokas on their inside or outside trails with an instructor. Many Wednesday evenings were spent at the stables. Many members attended the four shows sponsored by Chestnut Ridge Stables and five members rode in one or more of the horse shows. Cynthia Knight, three shows, three ribbons and a reserve. Barbara Kruse, one show. Del-loan Morrison, one show. Pam Seibert, one show, one ribbon. Mrs. Smith is the adviser of this club.

The Senior Play

"Best Foot Forward" was presented by the Senior Class on March 21 at the Junior High. It was decided this year to give the Senior Play only one night. This proved highly profitable; we made more money this year than any other class in recent years.

After the play had been in rehearsal several weeks, the direction was assumed by two students, Caroline Byrd and David Harris. We found this a very good idea for it helped unite the seniors and make the play a class project. We hope it will be continued next year.

Our sincere thanks to Mrs. Eckersen, Miss Stone, Miss Patton, Miss Pokorny, Miss Boerger, and the Senior Stagecrafters.

Tri-Y

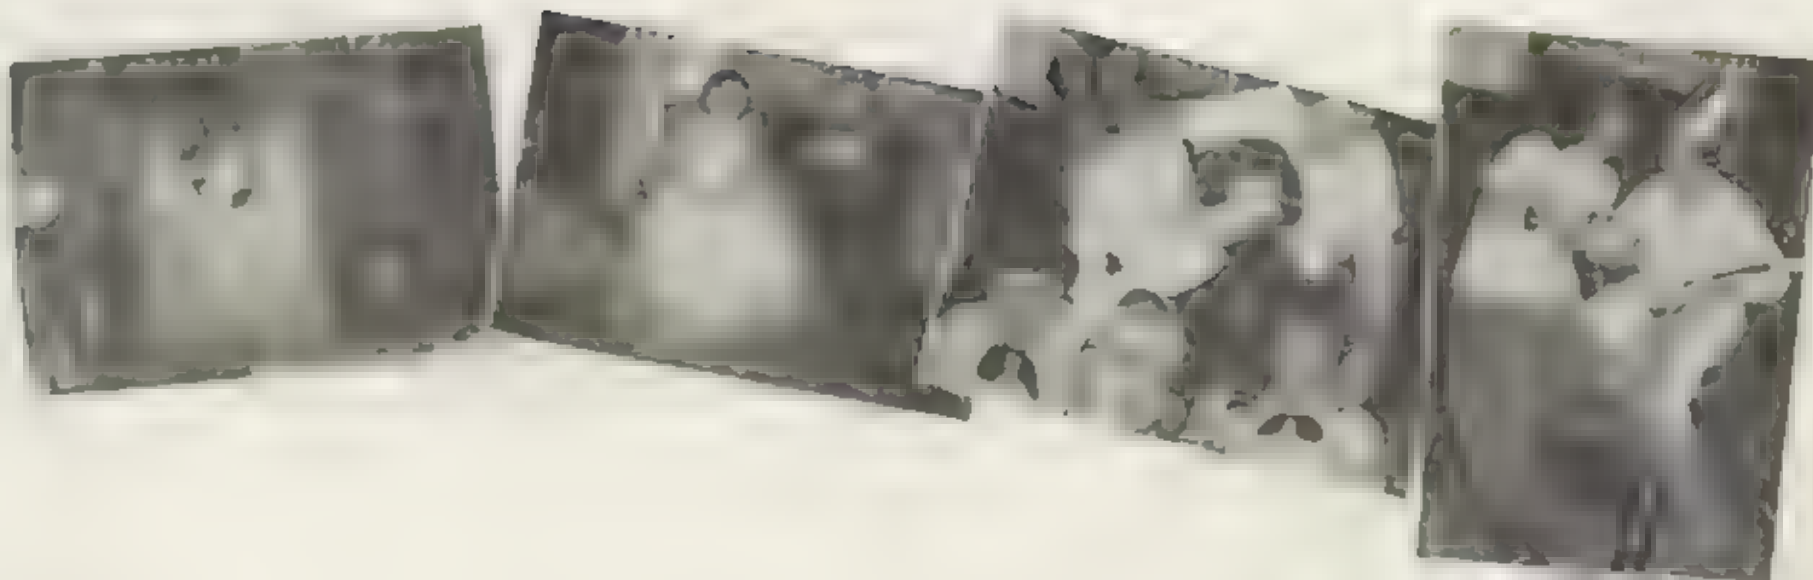

The successful innovation of inviting Dwight Morrow High School Seniors and Juniors to join the Tri-Y members at the annual Tri-Y Tea set in improved pattern for the current club year. From the well attended initial affair we profited to the extent of 36 new members.

We had barely begun to get over our "growing pains" when Dwight Morrow High School Fun Nite demanded our attention. Tri-Y sponsored *Flowers On Parade*, which provided a substantial financial contribution to the S. O. treasury, and which also revealed an abundance of talented individuals among our members.

The less spectacular but more humanitarian services occupied a large portion of our remaining time. Helping the Hospitality Shop of the Englewood Hospital, giving a Thanksgiving Basket to a needy family, and doing Red Cross work were the most prominent. These and other projects were financed by the weekly club dues together with money derived from cake and candy sales.

As usual our 12th Annual Six Star Sports Dinner, which honors Dwight Morrow High School's six athletic teams and cheerleaders, proved to be the top Spring social event. Approximately one hundred twenty-three and two hundred other guests were addressed by the team coaches, William J. Fitzpatrick, President of the Board of Education, Mayor M. Lewis Denning, and John Cerny, Football Coach, Adelphi College. The Chansoneers rendered several selections to complete the largest socially and financially successful Six Star Dinner in the history of the Club.

We owe a lot to Mrs. Tillotson, our adviser. Thanks so much!

Varsity Club

The Varsity Club is composed of boys who have received a letter in one of the sports at D. M. H. S. The purpose of the club is to give financial aid to all sports and to stimulate an interest in sports. The main activity of the club is the Saturday night dances. The club sponsored seven of these dances this year. Other activities were selling soda at the football games, working the scoreboard and running the sponge throwing concession at Fan Fete. The club has helped sports by having films for the football team, awarding sweaters to all letter men, giving awards to outstanding athletes and sending the track team to the Penn Relays.

MR. BALDWIN	<i>Adviser</i>

Spiked Shoe Club

The club is made up of all boys who have received a letter in either Cross-country or Track. The purpose of the club is to stimulate interest in these two sports and to give financial help to the teams. The main activity of the club is sponsoring the Annual Inter-Class Track Meet. The club also ran a concession at Fun Nite and sold jackets to the students in school.

OFFICERS

TOM BOYAN	<i>President</i>
PETER LENROW	<i>Vice-President</i>
BILL BURKE	<i>Secretary</i>
WALT NAGEL	<i>Treasurer</i>

Advisers

MR. SMITH, MR. BREUR

Cafeteria Club

The Cafeteria Club is a new club this year. Miss Brehm and Mrs. Kelly are the sponsors. The purpose of this organization is to aid our community by acting as waitresses for the town's numerous special dinners.

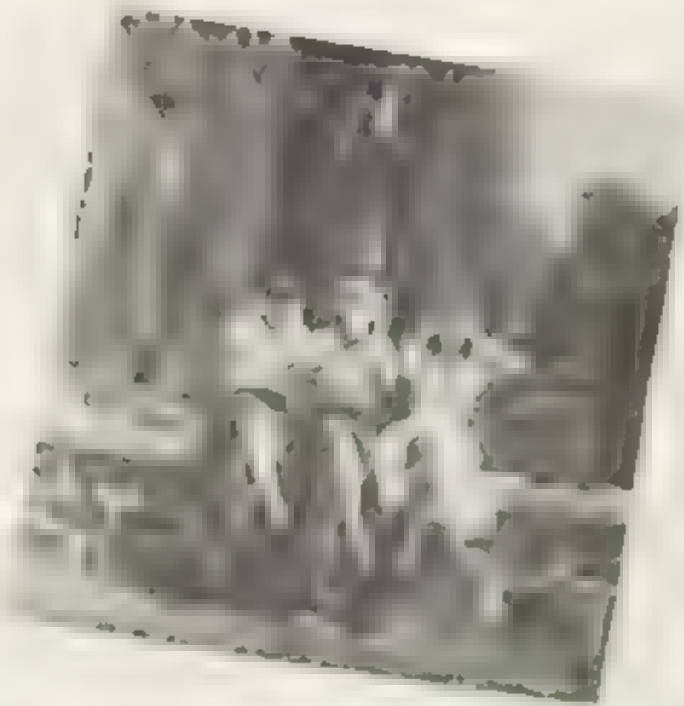

The club served at the Community Chest dinners, The Boy Scouts, Little League, and the Six Star Sports Dinner.

OFFICERS

CONNIE PLOUFFE	President
PATRICIA MURRAY	Vice-President
JANET GRANDE	Treasurer
DOLORES CELLUPICA	S. O. Representative
DIANE SAGAL	Club
VIRGINIA MARTIN	Secretary

Advisers

MISS BREHM, MRS. KELLY

Baseball

As in basketball, this year's varsity baseball team has a great name to live up to. Many stars are missing from last year's state championship team, but there remains a strong nucleus from which great things are expected. Much hope lies in the strong pitching of Johnny Caserta, who has already hurled two shutout victories and Jim Mahoney, credited with a 3-0 victory over Teaneck. Bob Thuemmel, another starter, has been hampered early in the season by a back injury. Englewood will rely on strong relief hurling by Tom Foster. Other pitchers to see action will be Bob Nicolaysen, Herb Carr, and "Nip" Goodwin.

Englewood is blessed with the strongest infield combination in the N.N.J.I.L. At first base is hard-hitting senior Evan Lewis. The short stop-to-second combination of Terry Hester and R. L. Wood is superb. The versatile Mahoney plays in there when not pitching, with Bob Seddon an able replacement at that position. At the Hot Corner, Gene Moore is the star. Seddon was not available by the injuries. Bob Escar filled in at third. Bob Martling is our capable catcher.

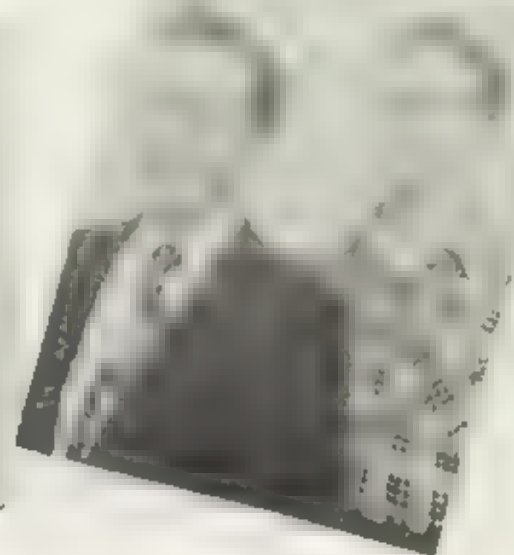

In the outfield are found: Seddon or Bob Hirsch at left, Tony Jon or Jim MacDonald in center, and galloping Fred Hanson in right field.

It might be added that since the final game last season, we have held the opposition to 37 scoreless innings in league competition.

Track

With the return of 12 lettermen this season, Dwight Morrow's track team shows great promise. This year's team is especially strong in that it is well-balanced and has great depth. Led by co-captains Tom Boyan and Pete Lenrow, the Maroon tracksters will compete in the N.N.J.I. Championship Meet as well as the Stor. Hall Relays, the Penn Relays, the Long Branch Relays, and the Englewood Memorial Meet. Coach Smith is building his team around a nucleus of the following athletes: Boyan, 880; Lenrow hurdles; Lew Erber, 440; Harv Dandeneau, sprints; Art Becker and Roger Cunnane weights; and Don Hoeger, pole vault. The Smithmen should fare well in '52 and perhaps bring the league crown back to Englewood where it has rested so many years in the past. The track team had great success this year! They took the N.N.J.I.L. Championship

Cross Country

Tennis

Junior Council

This year the Junior Class worked very hard at "Fun Nite" to help the S. O. We had two concessions and raised quite a bit of money.

The big project of the class, though, was our Junior Prom, which was held in the spring. The couples, dancing amid a maypole and colored streamers, had a very lovely evening.

All the officers wish to thank the representatives and the class for their cooperation in making the year a successful one.

Senior Class History

Under the administration of the Senior Council, composed of the class officers and the home-room representatives, the Senior Class united to procure funds for its donations to the Student Loan Fund and to other charities and for the two big events with which it ended a memorable year, the Senior Prom and Commencement. In the fall the class sold Christmas cards; the spring brought the most successful Senior Play Dwight Morrow High School has seen in many years, "Best Foot Forward". Supporting the Student Organization, the class operated the Strength Tester concession at Fun Night. These accomplishments constitute the success which came forth from the working unity of the members of the class, the council, and the advisers, Mrs. Ione Ekersen and Miss Joan Stone.

BUSINESS as a PROFESSION

'The difference between a trade and a profession' writes a distinguished lawyer 'is that the trader frankly carries on his business primarily for the sake of pecuniary profit while the members of a profession profess an art, their skill in which they no doubt place at the public service for remuneration adequate or inadequate, but which is truly an end in itself. The professional man finds his highest rewards in his sense of mastery of his subject, in the absorbing interest of the pursuit of knowledge for its own sake, and in the contributions which, by reason of his attainments he can make to the promotion of the general welfare.'

The truly successful business man, we believe, is he who derives satisfaction from the contribution of his business to the public interest as well as for monetary profits, and who conducts his relationships with his customers on the principle that in the long run his gain can only be in proportion to the service he renders them.

It is on this principle that

LION CLEANERS OF ENGLEWOOD

is established and because of this public acceptance and response to our endeavors have been most gratifying and symbolic of its appreciation.

Appreciation

To Delma Studios—Mr. Sam Fields, Mr. Irving Lloyd and the others—we give our sincere thanks; without their help, our yearbook would never have been a success.

We would also like to express our appreciation to the Marucci brothers of the Jersey Print Shop for their kind advice and cooperation.

For Mr. John J. Wardell's patient guidance and clever ideas we will be eternally thankful. We wish him the best of luck with the Engle Log of '53.

Congratulations & Success
in the future.
K. Maloud

Good Luck
